Commissioner for Patents

An inspection of the electronic file wrapper did not show a scanned copy of each of the Information Disclosure Statements (IDS) (forms PTO/SB/08a) having been considered by the Examiner. This may have been caused by some papers not having been scanned in to the Image File Wrapper (IFW) during the transition from when the application was a paper file wrapper to an IFW. In the event that applicant has not received these copies of the IDS's, please find attached copies of the IDS's filed on 10/31/2006 and 01/19/2007, each which have been considered by the current examiner of record.
